

Istanbul Modern Receives TripAdvisor Certificate of Excellence

Istanbul Modern has been awarded the **2015 Certificate of Excellence** by **TripAdvisor**, one of the world's largest travel sites.

For the last five years, TripAdvisor has shared the Certificate of Excellence on behalf of travelers across the globe. The certificate is given according to a rating system and reviews written by site members about their experiences traveling around the world. Recognized by TripAdvisor members as one of the best in the sector, Istanbul Modern received the 2015 TripAdvisor Certificate of Excellence based on positive reviews by visitors of the museum.

Istanbul Modern was also awarded the **Travelers' Choice 2013** and **Travelers' Choice 2014 Awards** by TripAdvisor.

In **2012** the Istanbul Modern Restaurant received TripAdvisor's **Travelers' Choice 2012 Award** and was listed among **the 25 favorite restaurants in Istanbul**.

With 30 websites in 21 different languages, close to 20 million users, more than 60 million reviews, and over 50 million visitors each month, TripAdvisor is the world's largest travel site, enabling visitors to participate in forums and share their opinions, reviews, and photos. This comprehensive website also serves as a detailed travel guide offering information on accommodation options, touristic areas, attractions, and social activities in travel destinations. Its "best of" lists, voted by over 10 million members, provide detailed information about travel destinations on many topics ranging from transportation and accommodation to places to see and social activities. TripAdvisor plays an important role in people making international travel choices and following new trends.
