

Three Aspects of Design

Istanbul Modern Cinema presents three films about graphic, architectural and motion design this month: Gary Hustwit's documentary about the history and proliferation of the most ubiquitous typeface in the world, Helvetica (2007), Nathaniel Kahn's Oscar-nominated film following the secret life of his father Louis I. Kahn, one of the greatest architects of the 20th century, My Architect (2003) and Digital Film Festival Resfest's Best of By Design, a collection showcasing motion graphics and design orientated short films.
